The Gavin Lake Camp, adjacent to the UBC Alex Fraser Research Forest, is located 6.7 km (4 miles) off the paved Lively Road on good gravel.

To reach Camp from the south, turn "east" (in highway terms) at 150 Mile House towards the communities of Lively and Horsefly. After 4 kms, take the left fork (Lively Rd.) and follow this for 47.7 km. Turn right on Gavin Lake Road at the *Gavin Lake Forest Education Centre* and *UBC Alex Fraser Research Forest* signs and follow this road for 6.7 kms (don't turn onto the Fire Lake or Shelterwood Roads). **Watch out for roadside deer and for oncoming traffic hogging the road, especially on curves.**

From the Williams Lake airport, take Hwy. 97 south, through Williams Lake, to 150 Mile House and then follow the above directions. The drive takes about 1.25 hours.

From the north, turn east off Highway 97 at McLeese Lake onto Beaver Lake Road, and continue for 3.3 kms. Continue right onto the gravel Beaver Lake Road. Follow this route until it meets the Lively Road (approx. 35 kms). Turn north (left) for about 6 kms to the Gavin Lake Road. Turn right at the *Gavin Lake Forest Education Centre* and *UBC Alex Fraser Research Forest* signs and follow this road for 6.7 kms.
